Dear

Mr. Bill McWhirter told me of his meeting with
you.

Enclosed are schedules of our various schools.
The local school schedule from July to January will be printed in a
few weeks and I will send you a copy.

In the way of general information, we have had
in attendance in all types of classes approximately 175 people from
the agency. We have also conducted three special conferences,
designed to cover general subjects requested by division of the agency.

We plan to hold additional conference in June and
chart future programs.

I will be very glad to review with you our progress
in the many areas and establish future programs.

Very truly yours,
